Justification for Summer Interns.docx

Erica,

I am sending this to you for your consideration. This idea was approached/informed with Molly and now it's underway.

Marcelo, has the in's and out's on how we are to proceed with Danielle on the funding side; I'm certain he'd welcome the opportunity to answer your questions as am I.

I hope you enjoy the attached and if you require different or additional information please let me know.

Regards,

Tom
